Re: US v Allie, Edward Alexis Medrano, et. al.
13 Cr. 242 (SAS)

Dear Judge Scheindlin:

I am counsel for Edward Alexis Medrano, who is scheduled to be sentenced as a Career Offender on August 25, 2014, for conspiracy to distribute narcotics.

With the consent of AUSA Jared Lenow, I respectfully request that the sentencing be adjourned for sixty days.

The adjournment is necessary to adequately prepare for sentencing. A final PSR was received only yesterday, and numerous records that I requested from state and city agencies have not yet arrived in my office. No prior requests have been made to adjourn this sentence.

Sincerely,

/s/

Donald J. Yannella, Esq.
